

Geriatric Medicine Application Requirements

All applicants who are committed to a career in geriatrics and are board certified or board eligible in internal medicine or family medicine are eligible to apply. Applications from residents in current training programs can apply as early as PGY 2 year.

In order to be considered for a position in the IU Geriatric Medicine Fellowship program you must complete and send in:

- Application
- Curriculum Vitae (CV)
- Personal Statement – statement of interest & career goals
- Submit four letters of recommendation (one from residency program director)
- USMLE transcript copy – Steps 1, 2 & 3
- ECFMG certificate copy, if applicable
- Medical School diploma copy

Supporting documents can be scanned and e-mailed or faxed followed by hard copy to:

IU Geriatrics Fellowship Program

Attn: Academic Coordinator
1001 W 10th Street, OPW-M200
Indianapolis, IN 46202
Phone: 317-630-2219
Fax: 317-630-7066
E-mail: lajmars@iupui.edu

Applicants interested in an academic career (2 or 3 year track), should also submit a written paragraph explaining their research or education interests to help us better understand their career goals and focus.
